

Air Freshener Odour Mask

DESCRIPTION & BENEFITS

Odour Mask is an opaque blue liquid with a floral orange fragrance. It is a quaternary based disinfectant with excellent deodorising properties. It is water based freshener and intended for use as a high quality disinfectant, cleaner and deodoriser. The highly residual floral orange fragrance makes it suitable for use in healthcare, institutions, commercial buildings and many other areas.

Odour Mask may be used neat or diluted, depending on the application. It can be sprayed into the air or applied directly onto any type of surfaces.
