

Compete+ Floor Cleaner

CODE NO: 376

DESCRIPTION

Compete+ Floor Cleaner is a viscous pink liquid with a lemon and ammonia odour. Floor Cleaner is formulated using a blend of anionic and non-ionic surfactants with metal complexing agents built into concentrated detergent. It is capable of grease cutting, soil removal and cleaning most washable floors and surfaces at a low cost price. It has an efficient emulsifying action and therefore a wide spectrum of valuable uses.

Compete+ Floor Cleaner is low phosphate, non corrosive, residual free and non flammable. It is suitable for use on most washable floors, such as tile, vinyl, timber, ceramic etc.. and is also suitable for toilets, baths, stoves, sinks, bench tops and windows.

BENEFITS

- ✓ Light Alkaline, PH=9.5-11.0
- ✓ Non-Corrosive
- ✓ Grease Cutting
- ✓ Safe on most floors

ENVIRONMENTAL ASPECTS

- ✓ Low Phosphate
- ✓ Biodegradable Surfactants
- ✓ Safe for food processing areas & septic tanks when used according to dilution instructions.

DIRECTIONS FOR USE

Light Soiled Areas: Dilute 1:40 parts of warm water

Medium Soiled Areas: Dilute 1:10 parts of warm water

Heavy Soiled Areas: Dilute 1:5 parts of warm water

Use a bucket and mop to clean floors. Use a cloth, sponge or brush that suits other areas.
