CLEANER
TOMORROW,
TOGETHER.

EST. 1992

Redefining Clean Since 1992 - Founded by Wasim Farhart, CLEAN+ was built on a vision of uncompromising quality and innovation. For over three decades, we've crafted high-performance cleaning and hygiene solutions that blend scientific precision with elevated formulation. Trusted by industry leaders, our products are a reflection of real value - engineered to deliver results, designed to set new standards.

We support our extensive distributor network with comprehensive training and resources, and are solely committed to our B2B strategy. Our philosophy, 'Cleaner Tomorrow, Together', remains steadfast and is part of our DNA. We are here to support our distributors, understand their needs, and deliver tailored innovative solutions.

At CLEAN+, we pride ourselves on being pioneers in the development and production of top-tier cleaning and hygiene solutions. Our expertly formulated products serve a diverse range of sectors including hospitality, healthcare, aged care, food processing, laundry services, automotive and commercial industries. Through our robust distribution network, we ensure that our clients receive only the best, most effective products tailored to meet their specific needs.

MISSION & VISION

Commitment

We're steadfast in our commitment. Since 1992, as an Australian-owned and operated company, our philosophy of 'Cleaner Tomorrow, Together' has always been part of our DNA.

Customer-Centric

Our customers are our driving force. We dedicate time to understand their specific needs and provide tailored, eco-friendly solutions on a timely basis.

Loyalty

Loyalty is crucial. We support our extensive network of distributors with comprehensive training and direct interactions to foster strong relationships.

Family

Our team is our family. We are committed to ensuring their safety and the protection of our environment, both now and for the future.

Our Reach

Sydney Head Office and Main Manufacturing Facility

- Purpose-built facility designed from the ground up in 2013
- Adjacent facility acquired in 2022 to support continuous production demands
- 5000+ square metres of real estate located in the heart of Sydney
- Over 50+ tonnes of chemicals produced and dispatched daily
- 2000+ pallets of ready stock
- Export to Vietnam, Cambodia, Fiji, Samoa, New Zealand & the Phillipines

Brisbane Distribution Warehouse and Offices

- Acquired in 2013 to better service northern NSW, QLD and NT distributors
- Second larger warehouse acquired in 2020
- An experienced and dedicated sales team on the ground
- Personalised and local support with stock readily available

Melbourne Distribution Warehouse and Offices

- Acquired in 2018 to optimise supply chain logistics for our distributors in VIC, SA and TAS
- An experienced and dedicated sales team on the ground
- Personalised and local support with stock readily available

Our Value

Exclusivity

- **Product Development:** We specialise in formulating custom products, designed to meet the unique needs of our customers
- **Customised Packaging:** Tailored to your needs, we offer packaging solutions that match your product requirements
- **All Rounded Service:** Custom labelling, Safety Data Sheets, Product Information Sheets and wall charts
- **Fully confidential and private manufacturing:** With NDAs on demand for top end partners, we guarantee the full confidentiality of where your products are produced.

Support

- **On-Site and Online Training**
 - Complementary on site seminars for your sales representatives and procurement teams
 - We deliver practical insights into product features, safety protocols and handling techniques
 - Providing this training underscores our commitment and focus on long-lasting relationships with our customers
- **The Clean Plus Training Centre**
 - Comprehensive hands-on knowledge of our products
 - Training available on a wide range of Cleaning & Hygiene practices
- **Technical Support**
 - Receive expert technical support provided by our experienced and dedicated sales team

Investment

We will invest in our customers business to ensure the partnership flourishes. We are investing in our facility to suit the specific requirements of our partners.

Supply

Our facility has the ability to produce over 100 tonnes ensuring a streamlined delivery of 48 hours from order to dispatch.

Automatic Dishwashing

Advanced Machine Dishwashing Liquid

Code 128

Advanced Machine Dishwashing Liquid is a concentrated detergent that cleans, de-stains, and descales. It works in both hard and soft water, providing spotless results while protecting dishware and ensuring optimal performance.

5L, 15L, 20L

[View Product](#)

Advanced Rinse Aid

Code 140

Advanced Rinse Aid reduces drying time, leaving crockery, glassware, and cutlery spot-free. Odourless and clear blue, it works seamlessly with automatic dishwashers in all water conditions for consistent performance.

5L, 15L, 20L

[View Product](#)

Advanced Descaler

Code 145

Advanced Descaler is a highly concentrated acidic solution for commercial glassware, dishwashers, and equipment. It removes scale, rust, and calcium deposits, improving brightness and functionality. Odourless and colourless.

5L, 15L, 20L

[View Product](#)

Advanced Machine Dishwashing Powder

Code 510

Advanced Machine Dishwash Powder is a non-foaming, pink powder for heavy-duty dishwashing. It removes stains from crockery, utensils, and glassware, prevents scale, and works in both hard and soft water.

5KG, 15KG, 20KG

[View Product](#)

Machine Dishwashing Liquid - Aluminium Safe

Code 132

Premium non-foaming, non-chlorinated detergent with built-in descaler. Safe for aluminium and soft metals, it removes scale and residue while protecting equipment in CIP and recirculating cleaning systems.

5L, 15L, 20L

[View Product](#)

Machine Dishwash Chlorinated Liquid

Code 130

Non-foaming orange detergent for commercial dishwashers. Cleans stainless steel and glassware, prevents scale build-up, and performs effectively in hard or soft water for spotless results and reliable machine performance.

5L, 15L, 20L

[View Product](#)

Automatic Dishwashing

Machine Dishwash Chlorinated Powder

Code 515

Chlorinated white powder formulated to remove fats, lipstick, tea and coffee stains. Ideal as a pre-soaker and destainer. Suitable for commercial dishwashers, delivering powerful stain removal and hygienic results.

5KG, 15KG, 20KG

[View Product](#)

Machine Dishwash Powder - All In One

Code 512

Highly concentrated, phosphate-free sanitiser with built-in descaler and rinse aid. Delivers powerful sanitation while preventing scale build-up and promoting spotless, streak-free finishes in commercial dishwashing and cleaning applications.

5KG, 15KG, 20KG

[View Product](#)

RTU Glass Wash Liquid

Code 136

Ready-to-use formula that removes beer, wine, spirits, and lipstick stains from glassware. Leaves glasses sparkling and streak-free, ensuring a polished finish ideal for bars, restaurants, and hospitality venues.

5L, 15L, 20L

[View Product](#)

Machine Glass Wash Concentrate

Code 137

Concentrated glass cleaner that removes beer, wine, spirits, and lipstick stains with ease. Delivers streak-free results, leaving glassware sparkling clean - ideal for high-volume bars, restaurants, and commercial settings.

5L, 15L, 20L

[View Product](#)

Rinse Aid with Built-In Descaler

Code 143

A powerful blend of surfactants, fast-drying agents, and descaler. Ideal for hard water areas, it prevents spotting and ensures sparkling, streak-free finishes on glassware and utensils in commercial settings.

5L, 15L, 20L

[View Product](#)

Rinse Aid Ultra Dry

Code 146

Specially formulated quick-drying agent for plastics and other hard-to-dry utensils. Ensures plates, cutlery, and glassware dry faster and come out streak-free—ideal for commercial kitchens and high-throughput dishwashing systems.

5L, 15L, 20L

[View Product](#)

Sanipan Cleaner Sanitiser

Code 341

Effective cleaner-sanitiser for automatic pot and pan washers. Removes grease and food residues while sanitising. Also suitable for use in pan rooms within nursing homes and other healthcare environments.

5L, 15L, 20L

[View Product](#)

Auto Warewash Chlorinated Capsule

Code 514

Auto warewash chlorinated capsule is white low-foaming powder with built-in descalers, super concentrate for economy use. Chlorinated for better cleaning and hygiene of dishes, cutlery and glassware.

3 x 4KG Carton

[View Product](#)

Manual Dishwashing

Advanced Dishwashing Liquid

Code 110

Concentrated cleaner with powerful grease-cutting and baked-on stain removal performance. Leaves surfaces spotless with a fresh lemon fragrance—ideal for kitchens, food prep areas, and commercial cleaning applications.

5L, 15L, 20L

[View Product](#)

Dishwashing Liquid Lemon Fresh

Code 116

Ready-to-use heavy-duty cleaner with a refreshing lemon fragrance. Ideal for tough cleaning tasks. Supplied exclusively in a 1L screen-printed bottle for convenience and professional presentation.

1L in a carton of 12.

[View Product](#)

Dishwashing Liquid Premium Plus

Code 102

Highly concentrated and dilutable cleaner that rapidly cuts through grease and grime. Features a pleasant lemon fragrance, making it ideal for kitchens, food prep areas, and general commercial cleaning tasks.

5L, 15L, 20L

[View Product](#)

Dishwashing Liquid Antibacterial

Code 108

Concentrated, non-perfumed detergent with built-in antibacterial agent. Designed for use in food processing areas, it ensures effective cleaning and hygiene without fragrance—ideal where scent-free sanitation is essential.

5L, 15L, 20L

[View Product](#)

Dishwashing Liquid Classic

Code 115

Dishwashing Liquid Classic is a heavy-duty formula with a fresh lemon fragrance. Suitable for domestic and commercial kitchens, it cuts through grease and grime, leaving dishes clean, sparkling, and streak-free.

5L, 15L, 20L

[View Product](#)

Dishwashing Liquid Classic Apple

Code 118

Dishwashing Liquid Classic Apple is a heavy-duty detergent with a refreshing apple fragrance. Ideal for domestic and commercial use, it removes grease and grime effectively, leaving dishes clean and sparkling.

5L, 15L, 20L

[View Product](#)

Dishwashing Liquid Economy

Code 120

Dishwashing Liquid Economy is a standard-strength, cost-effective solution for everyday cleaning. With a fresh lemon fragrance, it efficiently removes grease and food residues, making it ideal for budget-conscious households and businesses.

5L, 15L, 20L

[View Product](#)

Glasswash and Destainer Powder

Code 517

Glasswash and Destainer Powder is a chlorine-based soaker and sanitiser. Effectively removes beer, wine, spirits, and lipstick stains from glassware, ensuring hygienic, sparkling results in bars, restaurants, and hospitality venues.

5 KG, 15 KG, 20 KG PAILS or 25 KG Bag

[View Product](#)

Kitchen Bench & Surface Cleaners

Advanced All Purpose Sanitiser

Code: 718

Advanced All Purpose Sanitiser is a hospital-grade, super-concentrated cleaner and sanitiser, ideal for food processing, childcare, and aged care facilities. It combines cleaning and disinfecting to effectively kill bacteria.

5L, 15L, 20L

[View Product](#)

Advanced Cream Cleanser

Code: 330

Combination of powerful detergents and polishing agents leaving the surface smooth and shiny, with a fresh lemon fragrance. Also available in 500ML and 1L cartons.

5L, 15L, 20L

[View Product](#)

Advanced Spray & Wipe

Code: 320

All purpose spray and wipe cleaner. Excellent degreaser for application on all types of surfaces. Refreshing friendly lemon fragrance.

5L, 15L, 20L

[View Product](#)

Advanced Spray & Wipe Antibacterial

Code: 325

Safe and powerful formula with approved antiseptic ingredients. Ideal in kitchens and near food preparation areas, provides up to 12 hours protection against germs.

5L, 15L, 20L

[View Product](#)

Orange Fresh

Code: 842

Orange Fresh is a super-concentrated spray-and-wipe cleaner with natural organic ingredients. Tough on stubborn stains in commercial and domestic settings, it leaves surfaces spotless with a pleasant citrus fragrance.

5L, 15L, 20L

[View Product](#)

Kitchen Floor Cleaners

Advanced Floor Cleaner

Code 380

Ammoniated with lemon fragrance. Gentle PH to suit all types of surfaces, excellent cleaner specially for greasy floors in kitchen areas.

5L, 15L, 20L

[View Product](#)

Advanced Gel Bleach

Code 335

Cleaner – Sanitiser with built-in detergents, caustic and chlorine additives. Removes grease and residues in kitchen area and food processing equipment.

5L, 15L, 20L

[View Product](#)

Advanced Multi Purpose Degreaser

Code 390

Rich blend of caustic, solvents and surfactants which penetrates even the toughest soils. Ideal for heavy grease build-ups in kitchen areas. Water based.

5L, 15L, 20L

[View Product](#)

Advanced Multi Task Degreaser

Code 387

Concentrated formula designed to handle the dirtiest of cleaning jobs. It can be used as a spray and wipe, degreaser and stripper.

5L, 15L, 20L

[View Product](#)

Multi Grease Off

Code 394

Multi Grease Off is an environmentally friendly, non-corrosive degreaser. Safely removes grease, dirt, and oil stains from nearly all washable surfaces—ideal for eco-conscious cleaning in commercial and domestic environments.

5L, 15L, 20L

[View Product](#)

Lemon Bleach 4%

Code 299

Lemon Bleach 4% is a heavy-duty floor sanitiser with a fresh lemon fragrance. Effectively disinfects and deodorises hard surfaces, making it ideal for commercial and domestic cleaning applications.

5L, 15L, 20L

[View Product](#)

Bleach 6%

Code 301

Bleach 6% is a heavy-duty floor sanitiser that removes tough stains and disinfects effectively. Suitable for use on hard surfaces and white fabrics, delivering powerful cleaning and hygienic results.

5L, 15L, 20L

[View Product](#)

Food & Beverage

Advanced All Purpose Sanitiser

Code: 718

Advanced All Purpose Sanitiser is a hospital-grade, super-concentrated cleaner and sanitiser, ideal for use in food processing areas, childcare centres, and aged care facilities. This purple, fragrance-free liquid combines cleaning and disinfecting in one step, containing high levels of quaternary ammonium compound and methylated spirits to effectively kill common bacteria.

5L, 15L, 20L

[View Product](#)

Ready-To-Use Sanitiser

Code: 734

Ready-to-use sanitiser with advanced Quaternary Ammonium Compounds. Provides effective hygiene protection and helps meet food safety regulations - ideal for use in food processing and preparation areas.

750ML, 5L, 15L, 20L

[View Product](#)

Veggies and Fruit Sanitiser

Code: 719

Sanitises fruit and vegetables by removing harmful surface bacteria. Safe for use in food preparation areas - helps maintain hygiene and extends the freshness of produce.

5L, 15L, 20L

[View Product](#)

Chlordet NF

Code: 730

Non-foaming chlorinated detergent and sanitiser ideal for the meat, poultry, and dairy industries. Effectively cleans and sanitises processing equipment and surfaces to maintain hygiene and food safety standards.

5L, 15L, 20L

[View Product](#)

Fat and Grease Rid

Code: 331

Super concentrated blend of heavy caustic and chlorine that removes grease, fat, and stubborn stains. Kills germs and mould - ideal for tough cleaning in commercial kitchens and food processing areas.

5L, 15L, 20L

[View Product](#)

Food & Beverage

Multi Purpose Acid Cleaner

Code 343

Removes cement, sand residues, mineral scale, and metal oxides. Safe for use in food preparation areas, it delivers effective descaling and surface restoration across multiple applications.

5L, 15L, 20L

View Product

CIP Detergent

Code 721

Concentrated CIP detergent formulated to remove organic food residues and heat-polymerised soils. Ideal for use in automated cleaning systems in food and beverage processing industries.

5L, 15L, 20L

View Product

Proxitane Sanitiser

Code 733

Complex blend of peroxygen and acid-based sanitisers designed for raw and unprocessed fruits and vegetables. Effectively limits microbial growth - ideal for maintaining hygiene in food handling and processing environments.

5L, 15L, 20L

View Product

Boning Room Mix

Code 764

Biodegradable formula that rapidly cleans food soils, emulsifies fats, and removes tough residues. Leaves surfaces sparkling clean - ideal for boning rooms and the meat processing industry.

5L, 15L, 20L

View Product

Milk Line Cleaner

Code 770

Powerful cleaner - sanitiser that removes residues from milk lines and frothers. Kills bacteria and eliminates bad odours - ideal for maintaining hygiene in dairy and beverage equipment.

5L, 15L, 20L

View Product

Mango De-sap

Code 580

Specially formulated to reduce sapburn and skin discoloration in mangoes. Chlorine-based sanitiser prevents sap from resettling on the fruit skin - supporting post-harvest quality and appearance.

20KG pail

View Product

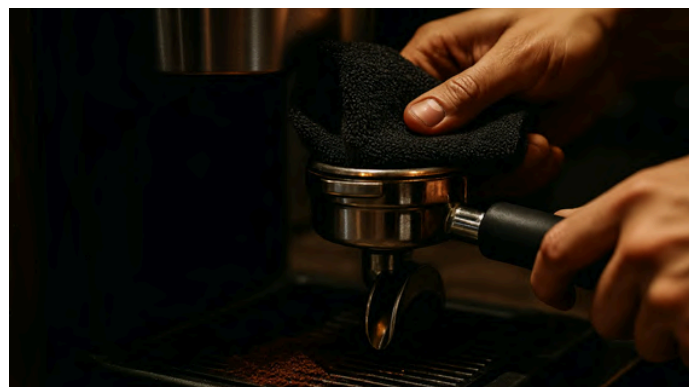

Coffee Clean Powder

Code 555

Concentrated descaler for coffee machines. Effectively removes scale build-up and can also be used as a soaker for espresso machine parts - ensuring optimal performance and cleanliness.

Value Added Services

Safety Data Sheets

We provide Safety Data Sheets (SDS) to our customers to ensure clear, accessible information about the safe handling, storage, and disposal of our products.

Product Information Sheets

We offer Product Information Sheets (PIS) to give customers a clear overview of our products, including key features, specifications, and usage guidelines.

Customised Wall Charts

We create customised wall charts tailored to your specific product range, location, and branding—making essential information easy to access and aligned with your identity.

POS Marketing Kit

Our marketing kit includes a variety of point-of-sale (POS) marketing materials to choose from - designed to support your brand presence and customer engagement. The kit is always evolving, with new and exciting additions regularly introduced to help you stay fresh, relevant, and visually impactful.

Mini Advanced Catalogue

We offer compact A5-sized mini catalogues featuring the full Advanced Range by Clean Plus—perfect for on-the-go reference and easy customer access, whether in the field or at the counter.

Value Added Services

Exclusivity

We specialise in formulating custom products, designed to meet the unique needs of our customers and deliver exceptional results.

Free On-Site Training

We offer complimentary on-site seminars for your sales representatives, delivering practical insights into product features, safety protocols, and handling techniques. Providing this training underscores our commitment and focus on long-lasting relationships with our valued customers.

Technical Support

Receive expert technical support provided by our highly experienced and dedicated sales team, ready to assist you with all your needs.

We Are Built On Partnership

Our company motto 'Cleaner Tomorrow, Together' underpins all our operations. We work in conjunction with you, our customers and distributors, to fully understand and meet your needs.

Our Facilities Are State-Of-The-Art

Our purpose-built manufacturing facility is at the forefront of producing superior quality products through cutting-edge technology and innovative research and development. As a Quality Endorsed Company (ISO 9001), we ensure our facilities not only provide a safe and comfortable environment for our staff but also foster ongoing training to maintain our commitment to all-around excellence.

Value Added Services

Customised Labelling

Choose from three labelling options to match your needs: the Clean Plus Label, the Distributor Label, and fully Custom Labels. Whether you want our branding, your own, or something unique, we've got the solution.

1

Clean Plus Label

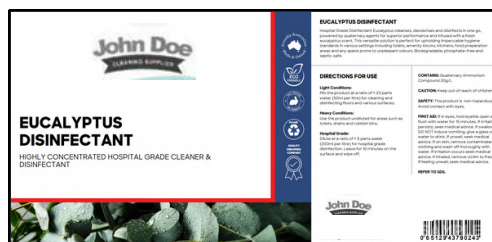

A standard labelling is provided for all distributors, with the option to customise branding with your chemical names.

2

Custom Product Label

Customised labels tailored to each product in your range, featuring your logo and branding elements.

Tailored Reporting

At CLEAN+, we provide monthly customised reporting solutions that align with each partner's specific operational needs and performance goals.

Dedicated Account Management

Every partner is supported by a dedicated Account Manager, ensuring clear communication, consistent service delivery, and proactive issue resolution tailored to your needs.

Partnering with Reforest: Growing Together

We're proud to partner with Reforest, a Brisbane-based social enterprise helping businesses take real, climate-positive action. Together, we support local tree-planting projects that make a measurable environmental impact. Using smart technology, customers can track their contribution and be part of a regenerative future—tree by tree.

Empowering Communities Through Education: The Mantara Foundation

Established by our Managing Director, Wasim Farhart, the Mantara Foundation highlights our strong commitment to social responsibility. We're focused on providing both primary and tertiary education to students from socioeconomically disadvantaged backgrounds. This initiative, made possible by the loyalty and support of our distributors, is transforming lives and opening doors to a brighter future.

Join Us In Our Journey Towards Reconciliation: 2024 and Beyond

At Clean Plus, we're committed to reconciliation and building an inclusive culture that honours First Nations peoples. Our vision is a future where First Nations communities thrive in culturally safe, equitable environments.

Our Five Pillars of Action:

- Invest in local First Nations communities
- Promote cultural education for our team
- Create leadership pathways for First Nations employees
- Strengthen partnerships with First Nations-owned businesses
- Collaborate actively with local First Nations enterprises

Heading Towards Net Zero: A Clean+ Initiative

At Clean Plus, sustainability is our responsibility. Since 2015, we've cut carbon emissions by powering our facilities with solar energy and reducing pollutants. Our GECA-certified products meet top environmental standards, and we source exclusively from Australian suppliers for quality and sustainability. With water treatment systems, electric vehicles, and robust recycling programs, we're committed to building a cleaner future—together.
