PRODUCT INFORMATION SHEET

Sanipan Cleaner Sanitiser

CODE NO: 341

DESCRIPTION

SANIPAN CLEANER SANITISER is a concentrated low suds detergent + sanitiser to be used in cleaning all metal surfaces including pots and pans. It is a brown coloured liquid with no fragrance which cleans and disinfects in one action.

SANIPAN CLEANER SANITISER contains surfactants that are active even at low temperature and quaternary ammonium compound that kills most of common bacteria. It is intended for use as a high-quality general-purpose cleaner - cleans care utensils powerfully and deeply – without harming the materials it comes into contact with. Providing sparkling and reliably hygienic results.

BENEFITS

- Cleaner and sanitiser in 1 step
- Designed for use in pan rooms in hospitals and nursing homes
- Made for automatic washing machines
- Safe on all surfaces

ENVIRONMENTAL ASPECTS

- BIO – Biodegradable
- SS – Septic tanks safe
- Safe for food processing areas when used according to dilution instructions
