

Machine Dishwash Chlorinated Liquid

DESCRIPTION & BENEFITS

Machine Dishwash Chlorinated Liquid is a clear thin liquid with a slight odour. Machine Dishwash Chlorinated Liquid is a premium quality chlorinated low foam detergent for use in dish, utensil and glass washing machines and is highly effective in removing soils and stains from stainless steel and glassware. This product works in hard and soft water.

Machine Dishwash Chlorinated Liquid formula contains an in-built scale inhibitor which eliminates the possibility of scale formation within the washing machine ensuring an excellent performance. This product is suitable for use in all commercial warewashing machines.

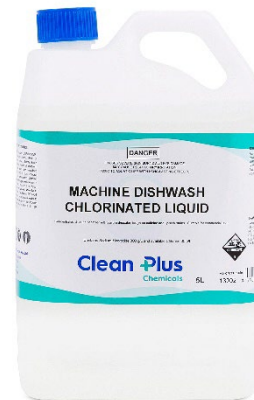

- ✓ Non foaming
