PRODUCT INFORMATION SHEET

# Lemon Bleach 4%

CODE NO: 299

## DESCRIPTION

**Lemon Bleach 4%** is a yellow thin liquid with a lemon fragrance with a characteristic chlorine odour. This product can be used for cleaning, whitening, removing stains, disinfecting and deodorising. Chlorine compounds are well recognised as a disinfectant for selected applications in hospitals and more recently greater emphasis is being placed on the use of these compounds.

**Lemon Bleach 4%** is ideal in kitchen and laundry areas in Commercial and Domestic use, making it ideal not only for your home but also for hospitals, nursing homes and hotels.

## BENEFITS

- Concentrated 40g/L Sodium Hypochlorite
- Deodorises, cleans and disinfectants
- Removes Stains in Kitchens
- Cleans Bathrooms
- Whitens Clothes & Nappies

## ENVIRONMENTAL ASPECTS

- PF- Phosphate Free
- Safe for septic tanks when used according to dilution instructions

## DIRECTIONS FOR USE

**Floors in kitchens & bathrooms** Add 750ml of product to 10 litres of water in a bucket. Using gloves, wash walls and floors of bathroom with mop. Wait 10 minutes, then rinse clean.

**Toilet Bowls:** Pour 400ml into toilet bowl and flush.

**Whitening clothes & cleaning nappies:** Add 400ml per load before immersing the articles. Pre-soak for 15 minutes before washing.

Please DO NOT pour Bleach directly onto clothes, make sure you dilute the liquid before adding the clothes. DO NOT use on Wool or silk. Avoid splashing on coloured clothes as it causes discolouration.
