

RTU Glasswash Liquid

DESCRIPTION & BENEFITS

RTU Glasswash Liquid is a clear green liquid with a slight odour. RTU Glasswash Liquid is a premium quality product that can be used for utensil and glass washing machines and is highly effective in eliminating soils and stains such as beer, wine, spirits and lipstick from glassware. This product is suitable for all water conditions, and is simple and safe to use.

RTU Glasswash Liquid has an advanced, ready to use formula that eliminates the possibility of scale formation within the washing machine to ensure an excellent performance. This product is designed for manual glass soaking and automatic glass washing, and eliminates beer, wine, spirits and lipstick stains whilst leaving glasses streak free.
